

(Washington, DC) - **Congressman Wally Herger, Ranking Member of the House Ways and Means Subcommittee on Trade, will take part in a media event in Chico today as part of the Consumer Electronic Association's (CEA) ongoing seven-week "America Wins with Trade" bus tour.** The CEA includes over 2,200 companies, including Microsoft, Google, and Apple, as well as hundreds of small businesses. The event will be held to highlight the importance of trade agreements and the benefits they provide to Northern Californian agricultural industry and small businesses. Last month Herger took part in the tour launch in Washington, D.C. Details can be found below:
