

Knowing of your interest in catastrophic wildfire issues I thought you may be interested in attending a summit on wildfire prevention sponsored by the California State Rural Legislative Caucus. The summit will take place this Wednesday, August 13th at 10:00 am. In addition to myself, the event will feature several local and state leaders, foresters, fire professionals, local interests, and other interest groups dedicated to finding commonsense solutions to remedy these catastrophic wildfires.

Time and Location:

Wednesday, August 13, 2008
10:00 am
Hosted Lunch to Follow

California State Capitol Building
Room 4203
